BRIEF HISTORY OF THE PIGSKIN CLUB OF WASHINGTON, INC.

Founded in 1938 by Dr. Charles B. Fisher, the Pigskin Club of Washington, Inc. stands as one of the nation's earliest and most impactful African American athletic and civic institutions. Rooted in Fisher's vision of camaraderie, leadership, and "democracy in sports," the Club has spent decades honoring athletes, educators, and community champions who embody excellence, integrity, service, and scholarship.

Today, the Pigskin Club continues to preserve its historic legacy while embracing a broader, more inclusive mission. Its reach now extends across the District of Columbia, Maryland, and Virginia, highlighted through its Fall and Spring Sports Awards & Scholarship Banquets—signature celebrations recognizing outstanding student-athletes and distinguished community leaders who uplift and inspire the region.

SATURDAY, AUGUST 29, 2026 OCTOGENARIAN RECOGNITION

In solemn tribute, the Pigskin Club of Washington, Inc. extends its highest honor to our esteemed Octogenarians—distinguished members who have reached 80 years of age and continue to embody the spirit, dignity, and enduring legacy of this historic organization. Their lives reflect decades of leadership, service, scholarship, and unwavering commitment to *Democracy in Sports*.

We salute these pillars of wisdom whose contributions have strengthened our mission, guided future generations, and preserved the traditions entrusted to us since 1938. Their presence reminds us that excellence is not only achieved in youth, but sustained through a lifetime of character, perseverance, and devotion to community.

Today, we honor them with gratitude, respect, and reverence for the paths they have paved and the legacy they continue to uphold within the Pigskin Club of Washington, Inc.

Sincerely Yours,
Barrington D. Scott, I
